TO THE EVALUATOR : This rating will represent your appraisal of the employee's actual performance on his present job. The value of it depends upon the impartiality and sound judgment you use. With regard to Performance Factors, Competence carries a heavier weight than Personality and Attitude when it comes to scoring. Accomplish with a blue pen.

TO THE DEPARTMENT HEAD : Accomplish with a red pen.

TO HELP YOU MAKE A CAREFUL ANALYSIS, THE FOLLOWING SUGGESTIONS ARE OFFERED:

1. Consider only one factor at a time. Do not let your rating in one trait influence your rating of another.
2. Base your judgment on the requirements of the job and his performance in it as compared to others doing similar work.
3. Carefully read the description of each trait before making your entry, then check the space which most nearly describes your opinion.
4. Upon completion, review and check your rating.
